## CLIENT TESTIMONIALS

I have purchased four commercial properties that Brian had recommended, for a total of \$43,500,000. I am very pleased with the performance of all four properties, and with Brian's unbiased, professional service he provided as a broker. Brian also sold two commercial properties for me. On the sell side, **he was very effective, producing sale prices higher than I expected. Brian is a seasoned real estate professional that I would recommend to anyone** who is looking for representation to buy, sell or lease commercial real estate in Southern California.

I want to express my personal appreciation for having had you at my side throughout some of the most difficult (and complex) lease transactions of my 22-year career in real estate. From inception, **you exhibited an impressive knowledge** of each marketplace for numerous assignments by identifying and showing every conceivable relocation site for each assignment. **You offered unique and firm negotiating skills** yet tempered with a degree and professionalism not often found in the brokerage community. Your outstanding follow-up services, and dogged determination were key in making these leases happen.
